To, Aditya Kulkarni

Subject: Internship Offer Letter

This letter serves to formally offer Aditya Kulkarni an internship with Raghuraj, commencing on January 14, 2026. You will be designated as a Frontend Engineer Intern and will be working directly with the technical team.

In this role, you will be responsible for the digital presence of our sustainable solutions. Your scope of work involves designing and building a responsive web platform to showcase our product portfolio (Solar Panels, EV Charging, WTP/STP), creating intuitive service booking interfaces, and ensuring the user experience aligns with our brand's eco-friendly and professional identity.

The internship will be for a minimum duration of three (3) months. During this period, you will receive a monthly stipend of ₹20,000. Based on performance, conduct, and business requirements, the internship may be extended at the sole discretion of the company. This internship is offered for training and professional development and shall not be construed as an offer of permanent employment.

All terms relating to working hours, stipend disbursement, confidentiality, intellectual property rights, information security, and code of conduct shall be governed by the company's internship policies and guidelines, as applicable from time to time.

Warm regards,
Raghuraj
